

Release Update - September 04, 2017

New

- Turret Defense Prototype
- One Level where enemies have two ways in but only one way out and can they make it
- Turret building at five locations to kill these buggers
- Upgrade your turrets to make them more powerful
- Can you withstand the five waves of horror?
- If ten enemies pass the exit you lose
- It is a prototype so there is some unsightly UI but will be improved up on in a later date.
